

Maimonides' Principles of Faith

This ten week course, presented by Rabbi Dr Shimon Cowen, examines the system of the thirteen principles of Faith set out by the great philosopher and codifier, Maimonides. These principles are relevant to monotheistic belief in general.

The course explores these principles as elements of a system of belief, taking up also mystical perspectives on the individual principles, including:

- The existence, unity and timelessness of the creator
- The nature of prophecy
- The authority of revelation in both written and oral dimensions
- Providence and foreknowledge
- Reward and punishment
- The messiah and resurrection

The course runs over 10 weeks on Thursday mornings: 8th July to 16th September (omitting 9th September) from 9 a.m. to 10 a.m.

Price \$220.00 incl. GST and course text "Maimonides' Principles" (pictured above)
