

**UNIVERSAL ETHICS AT THE ROOT OF THE WORLD RELIGIONS:
THE NOAHIDE LAWS**

The Noahide laws represent a fundamental set of universal ethics at the root of the world religions. They were endorsed by the US Congress in 1991 as the "bedrock of society since the dawn of civilization" and by the Australian Governor General Major General Michael Jeffery as applying "to all contemporary issues and therefore play an important role in our day-to-day lives"

**The Institute for Judaism and Civilization invites you to
